## O c t o b e r - N o v e m b e r 2 0 2 5

**F**all has definitely arrived in Colorado! The leaves are changing and there's a chill in the morning air. Soon the winter's snow covering of Pikes Peak will be here.

**G**reg returned from Romania October 6th after 26 days. During that time much was accomplished with much more to do. He arrived September 10th and had 10 days of work before our friend David McDill arrived on September 20th. During that time, he along with Alina Bordea, director of the centers in Brasov that we work with, dealt with a number of pressing issues. Casa Cris, a group home at Bradet for disabled adults, was without heat and hot water.

Fall arrives quickly there and mornings were quite cold. Getting a new heating system in place was first on the list. Next came the hot water unit. Thankfully, with help from you, our generous donors, we will be able to provide heat and hot water. Greg even got his hands dirty repairing a therapy tub that had needed attention for some time.

we mentioned before, Hannah passed this past December and the McDill family has donated 2 of her wheelchairs to two very deserving girls, Codruta and Denisa. They were able to visit the centers numerous times, feeding, playing, singing and praying with many of the residents. David and Greg spoke at Alfa Christian, our main church partner in Brasov.

**A**fter David's return home, Greg met with numerous people in reference to the upcoming project of building accessible dormitories at Bradet. The most infirm, bedridden residents will need to be moved first, so the need for new housing is primary. Greg met with Brasov County officials, along with our ministry partner, Florian Vasile, of Calvary Ministry Associates. We will work in partnership with Florian and County government officials on these dormitories.

**T**he King's Table at New Life Church is going great through this fall season. The fruit of the Spirit is the study topic with lots of fun having healthy fruit snacks. The upcoming holiday season is special for everyone with our annual Christmas party which all enjoy. A recipe book of everyone's favorite family recipes is in the works. Our resident chef Colton Mast is helping with this effort. A talent show is planned for early spring for all of our talented students. Our celebrations of birthday's for each student, is valuing each living treasure!

**N**ovember 3rd, Greg, with our good friend and volunteer from King's Table, Jim Gilbreath, will fly to Brasov Romania. Jim has been wanting to serve at Casa Margarita. He will meet with the Church elders and experience all the wonderful stories. We will put him to work loving on the residents and falling in love with these treasures of the Lord. Greg needs to return to meet with additional county officials for authorizations and plans to continue the building project. Jim will be traveling November 3rd to 11th. Greg will stay until November 19th. Your prayers are coveted for this trip. Please remember to regularly pray for Greg and Jim. Jim would like all contributions to be given toward the replacement of the Hot Water and Heating systems.
