Year End 2023 Prayer Letter

Dear Friends of Mephibosheth Ministry,

As 2023 comes to a close and 2024 is just a few days away, we wanted to take a moment to thank all of you for your prayers and support. After 5 years of traveling to Romania, local churches that we've developed great relationships with, are catching the vision of reaching out to those most vulnerable and less fortunate in their communities. This past Christmas season has been a catalyst for their continued involvement. Disabled children and adults, pregnant teenage girls and orphaned teenage boys are getting spiritual and social guidance and mentoring. God's timing is always perfect.

Top photo, just one of the many tables set for a big Christmas feast at St. Anton's with fresh fruit sweet bread and a healthy chicken meal. Above is Dan Eakins Christian musician bringing joy to the "Mama's House," home for pregnant abandoned teenage girls where they handed out gifts also.

Churches in the Colorado Springs area are developing opportunities to include those families affected by disabilities into their local fellowships.

The King's Table at New Life Church here in Colorado Springs is growing, we required a new larger room which we love, but may grow out of soon! Several amazing volunteers have committed to serve with us, a huge answer to prayer!

The annual King's Table Christmas party was a great success celebrating with new and old students. It was amazing to have our friends Jared and Keri play carols for us and our artist Cedric draw for us. Our friend Dave Burson brought his famous tritip grilling it in 20° weather! Everyone brought fantastic sides and desserts.

Mephibosheth Ministry in 2024 has teams planned for Romania in April and June. Church training seminars are being planned for the Spring.

Please continue to pray with us for the new year. Your financial support is also greatly appreciated. A one time gift or even better commit to a monthly gift for 2024. This helps us plan for future projects.

You will be hearing much more soon as God graciously provides for these new opportunities.

We now have our website up and you can donate there easily by hitting the red donate button.
